

## **Environmental Challenge for English Podcast**

**Group Name:**

**Group Members:**

**Directions:** As a group, complete the document as fully as possible before the end of class today.

1. Create a challenge statement below that answers all of the following questions:
  - a. What specifically are you doing?
  - b. Why? (mention research)
  - c. Who will be involved in the challenge?
  - d. Who will be interviewed?
  - e. How will you measure / record / track your challenge?

Challenge Statement:

Once you have finished your challenge statement, answer the following questions as a group:

1. What is your story's driving question?
2. What is the story NOT about?
3. How will you engage your audience - and hold them?
4. What are your dream ingredients? What audio footage would you like to include?
5. What will the audience remember when it's over?
