

Student Led Conferences

Your Task:

1. Design a layout for the SLCs that will be held in the gym with dimensions included (Include an image of your layout below, this can be digital or on paper)
2. Create a table that displays our profit based on the CoG (cost of goods) for each book, up to 25 books with a total possible profit. (Include an image of your table below, this can be digital or on paper)
3. Create a poster to promote the selling of our book

OR

Create a poster to promote our Student Led Conferences and Exhibition

Items to consider:

- This is a 3 night event (Dec 11, 12, & 13- 5:30-6:30 pm)
- Gym space is roughly 80' wide x 95' long
- 2 families per table
- Dimensions of table set-up (table and 6 chairs)
- 200 6th grade students
- We will need enough tables for each group, food display, check in table and table for selling of our book
- We have 25 cookbooks available for sell
- Selling Price of book is \$25.00
- 25 books cost us \$365.09
