

## Questions to Ask the Presenters

1. What was the process for this project?
2. How did you decide on the issue you wanted to address in your project?
3. How did critiques help you?
4. What changes did you make based on critique?
5. What are you most proud of in this project?

### Help Us Out!

*Be Kind, Be Specific, Be Helpful*

6. What was the strongest part of the whole exhibition? Why?
7. What should we change to make the exhibition stronger?

**Any other critique or feedback?**

<b>Snack Station!</b>	Optical Illusion
Bias Busting Bookshelf	
Opportunity by Gender	Native Myths
LGBTQ+ Trivia	What in the World?
Step Up to Equity	Voting Rights
Implicit-Association Test	

**Welcome Table**

## Welcome to the Bias Busting Obstacle Course Exhibition

The  
American  
Dream

## Bias Busting Obstacles

<b>The American Dream</b>	All Ages	15 - 20 minutes
Aidan Sloper, Luan Scrivner & Sophie Griffin		
At the American Dream exhibit we are challenging the premise that hard work always results in success. We do this by building houses in a fun and interactive way.		
<b>Step Up to Equity</b>	All Ages	15 - 20 minutes
Ayiana Aubrey, Isaiah Hornridge, Mariyah Aubrey & Max Socey		
At our exhibit you will be learning about equity and equality. It is good to know the difference between these concepts because not everyone starts from the same place.		
<b>Voting Rights</b>	Adolescents - Adults	10 - 15 minutes
Eric Jorteg & Orrin Dolliver		
What are the voting laws in California and the rest of the U.S.? We will educate you on some laws that expand voting rights and others that suppress voting rights.		
<b>Implicit-association Test</b>	Adolescents - Adults	15 - 20 minutes
Alicia Launius		
Implicit bias is the stereotypes or attitudes that affect us unconsciously. We will use Harvard's implicit-association test to undercover bias in our own minds and then discuss ways to overcome that bias when we make decisions		
<b>Opportunity Knocks</b>	All Ages	15 - 20 minutes
Reesa Bergel & Wanda		
Opportunity by Gender and Race demonstrates how these social categorizations have influenced who has had access to certain privileges and rights throughout history. Through the use of a timeline and some games participants will gain a historical background on these issues and a present-day understanding of gender inequality and racial inequality.		
<b>LGBTQ+ Trivia</b>	Adolescents - Adults	10 - 15 minutes
Fiona Kingery & Skye Mars		
How much do you know about LGBTQ+ history? Answer some trivia, win a prize, and learn!		

<b>Confirmation Bias: Don't Trust Your Eyes</b>	All Ages	10 - 15 minutes
Caspian Clifford		
At the Confirmation Bias exhibit, you will take part in an optical illusion that will concretely demonstrate our susceptibility to attentional bias.		

<b>Bias Busting Bookshelf</b>	Adolescents - Adults	5 - 10 minutes
Aidien Biglow, Kate McArthur & Trina Headlee		
Representation matters in real life and in fiction. Our bookcase has a collection of books by diverse authors. You can check out a new book to read!		

<b>What in the World?</b>	Adolescents - Adults	5 - 10 minutes
Ian Hulse		
This exhibit will examine recent news from around the world and challenge participants to put themselves in the shoes of someone viewing the same information from a perspective different from their own.		

<b>What in the World?</b>	Adolescents - Adults	5 - 10 minutes
Ian Hulse		
This exhibit will examine recent news from around the world and challenge participants to put themselves in the shoes of someone viewing the same information from a perspective different from their own.
