

Mexican Revolution Assignment #2: PERSIA

Directions: How has PERSIA turned up in your research and studies of Mexican history and the Revolution? Make statements below that show where you have seen examples of at least three of the categories. **Be specific and detailed.**

Ideas should be developed fully. In your presentations to the class, you will be expected to articulate how these are embedded in your project. Individually, you should also be able to write about this in your end-of-project reflections.
