*In-de-pend-ent - free from outside control; not depending on another for livelihood or subsistence; capable of thinking or acting for oneself.*

I am an independent person. I prefer to work by myself with no distractions. I like to do things the way I like them. Sometimes, I will allow people to contribute their ideas depending on what I'm doing.

I like to work by myself because I tend to get distracted when I work with others, especially my friends. I am also an independent person when it comes to my parents, siblings, or anything outside of school. Even though I am close to both of my parents, I am still independent when it comes to them.

Being independent is beneficial for me because I feel as though I'm more efficient in completing assignments when I'm on my own with no one to distract me. I do not plan on changing the fact that I am independent. Independence fits me and my personality perfectly.

### **Independent**

I am allowed to be  
independent.

Independent means  
living without rules set by  
others.

I am allowed to choose a  
career,  
which hopefully brings success

and loves fiercely,  
Her tears flow just as abundantly  
as her laughter....

Is both soft and powerful  
She is both practical and spiritual

In her essence  
Is a gift to the world..

**An Independent Woman**

I am an independent woman.  
I am a woman with a vision.  
On a mission.  
I'm going to keep keeping, till I get it all  
I'm going to try, even though I fall  
I'm going to move, no wasting time.  
I'm going to get it.

**An Independent Woman**

Independent women are are the hardest find,  
They are ice cold I tell ya,  
But once you find the hidden fire in their soul  
Their love melts onto the holiest waters.
